BAN KI-MOON GLOBAL CITIZEN SCHOLARS

Ban Ki-moon Centre for Global Citizens
Ban Ki-moon Global Citizen Scholarships seek to empower young and active global citizens from different regions around the world including Africa, Asia, and the Middle-East. Scholars are selected based on a variety of qualifications. Most importantly, the scholars should be engaged for the SDGs, founders of their own initiatives, and change-makers pursuing the building of a better future for all.

The scholarship covers the expense of attending European Forum Alpbach held in Tyrol, Austria each August as well as the cost of travel.

European Forum Alpbach is an interdisciplinary platform for science, politics, business and culture. Established in 1945, the annual Forum and other events throughout the year address the relevant socio-political questions of our time. The Forum takes place each year during August in Tyrol, Austria.

- Sponsorship of scholars to attend European Forum Alpbach
- During the Forum, scholars present projects for the SDGs to Ban Ki-moon Centre Co-chairs and Board members
- Scholarship holders become a part of an Alumni Network after the Forum

**Target Group**
- Youth from different regions (Africa, Asia, Middle-East)
- Age group 20-30

**Pillar of Work**
- Education

**Previous Donor**
