Co-FOUNDER OF GREEN REPUBLIC FARM

GREEN WOMEN INITIATIVE TO CURB UNEMPLOYMENT AMONG WOMEN BY INTRODUCING THEM TO THE AGRICULTURAL SECTOR

ABOUT THE GREEN WOMEN INITIATIVE BY GREEN REPUBLIC FARMS

Women do not receive the same support as men farmers, which has prevented most women from going into agriculture.

The initiative enhances women farmers' access to sustainable agricultural mechanizations, thus saving labor and improving their productivity.

So far trained 35 women on agricultural practices and equipped them with decent and inclusive jobs supporting Nigeria's farming system.

Beyond this, the initiative supports community development and creates job opportunities for young people to work, learn and grow at Green Republic Farms.
