## LEAD OF FARMISPHERE

DIGITAL ECOSYSTEM PROVIDING MARKET ACCESS TO WOMEN SMALLHOLDER FARMERS AND SEAFOOD HARVESTERS

### ABOUT FARMISPHERE

- Farmisphere registers, verifies, and onboards rural female farmers to its digital marketplace and enables them to grow their net income and productivity.
- Women farmers learn how to increase their profitability and alleviate post-harvest loss and food waste by scheduling product-pickup on time.
- Women farmers are connected with e-wallet services to improve their livelihoods and reduce financial risks.
- Positively impacted the lives of over 200 farmers and 150 seafood-harvesters with 60% of registered farmers being women.

### VOICES OF WOMEN IN AGRICULTURE

Helen Anioke is a highly driven and self-motivated poultry farmer who uses the Farminsphere platform to sell her poultry products at the best market price with zero hidden charges. Thanks to Farmisphere, she has made over \$1000 in extra income.
