## ABOUT ENERGY ASSURED NIGERIA LTD

Energy Assured Nigeria Ltd. is a social enterprise company that helps smallholder farmers with a subscription based, comprehensive and mobile solar water pump for farming purposes.

The solution is cheaper, accessible, easy to use and environmentally friendly as it reduces the need for petrol/diesel consuming generators, which pollute environment.

Energy Assured Nigeria Ltd. enters into an agreement with low income women farmers' cooperatives, grouping them into clusters of 10 women per solar pump for a small token of \$250.

The project targets low-income women in the northern part of Nigeria and provides them with a mobile and comprehensive solar water pump that is more affordable and sustainable.
