BRIDGING THE SUPPLY CHAIN GAP FOR WOMEN FARMERS

ABOUT WOMEN OUTGROWER SCHEME OF RASHAK FARM

Rashak is an Agro-Allied company with a vision to leverage agri-tech to operate a data-driven business model, that empowers small-holder farmers by providing access to market, and access to finance in order to advance food security.

Rashak's Outgrower scheme is an agricultural supply chain which provides farmers with consistent agricultural inputs that including fertilizers, seedlings, technical and financial support and training.

In return Rashak purchases most of their beneficiaries' supplies for our partners who use these products for manufacturing purposes.

Over 1200 farmers benefit from Rashak by accessing both local and international markets for their produce, reducing the burden of marketing their products.

VOICES OF WOMEN IN AGRICULTURE

Felicia Tyoter is a soybean farmer in the southwestern part of Nigeria, she is a mother of three kids and would give her best to ensure that her female children receive quality education which she didn't have access to. Through Rashak's Outgrower Scheme, Felicia is able to make that dream come true.
